## Exercise 2: Deciding

Mr. and Mrs. Smith are going to buy a new electric range. They want to buy a green one because they have a green refrigerator. There are four children in the Smith family. The Smiths need a large oven to bake for the family. No one in the Smith family likes to clean ovens. Which stove are Mr. and Mrs. Smith going to buy?

A. Directions: Look at the electric range ads from both stores. Check the right answer.
